

Student Lounge

The Student Lounge is your space to connect, recharge, and explore student-focused programming – all included with your conference registration. No additional sign-up is needed.

Join us on the exhibit floor in **Hall E** at the Calgary TELUS Convention Centre, open **May 11–13**.

TUESDAY, May 12

- 9:00am – 10:00am **Mock Interviews**
Students will have the opportunity to sharpen their interview skills through a series of mock interview questions led by industry experts. Delivered in a fast-paced “speed-dating” format, the session offers valuable practice with common interview questions and quick, on-the-spot thinking.
- 10:15am - 11:15am **Ask Me Anything**
The student-driven Ask Me Anything session will be an informal question and answer period featuring industry leaders; no subject is off limits! Students are encouraged to come prepared with their questions to help spark a dynamic and engaging conversation.
- 1:15pm – 2:15pm **Résumé Rescue**
The *Résumé Rescue* session offers students the chance to receive professional, one-on-one résumé reviews from industry leaders and hiring managers. Participants will gain valuable insight into effective formatting, content, and positioning.
- Please bring a printed copy of your résumé or a laptop if you prefer to review digitally.*
- 2:30pm – 4:00pm **Workshop: Legacy Value and Ethics – Your Life’s Journey, hosted by John Duhault**
The choices you make today shape the legacy you will leave tomorrow. You have the power to shape your own story and build a legacy that reflects your true self. Your journey begins with you, guided by your passions, your values, and your priorities. Who you become is shaped by your passions, values, priorities, and ethics. Who are you?

This workshop offers insights into self-understanding and ethical behaviour.

WEDNESDAY, May 13

- 9:00am – 10:00am **Mock Interviews**
- 10:15am - 11:15am **Ask Me Anything**
